

EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

Hyde Park Partners is committed to providing equal employment opportunity to all applicants and employees regardless of their race, creed, color, religion, sex, age, national origin, disability, military service, protected veteran status, genetic information, sexual orientation, gender identity, or any other characteristic protected by federal, state, or local law. We are strongly committed to this policy and believe in the concept and spirit of the law.

Hyde Park Partners is further committed to ensuring that employment decisions are based on valid job requirements. In addition, all employment actions, such as recruiting, hiring, training, promotion, compensation, benefits, transfers, layoffs, and termination are administered fairly to all persons on an equal opportunity basis, without discrimination on the basis of protected categories named above. Hyde Park Partners will also provide qualified applicants and employees with disabilities any needed reasonable accommodations, as required by law.

Hyde Park Partners will not tolerate employees and applicants to be subjected to harassment, intimidation, threats, coercion, or retaliation because they engaged or may engage in filing a complaint or assisted in a review, investigation or hearing related to any federal, state or local law requiring equal employment opportunity; or because they opposed any act deemed unlawful.

The CEO supports this affirmative action program and has appointed Chris Houston, VP of Human Resources, as Hyde Park Partners' EEO Coordinator. The EEO Coordinator's responsibilities include implementing an internal audit and reporting system to monitor and measure the effectiveness of Hyde Park Partners' equal employment opportunity efforts and report to executive management on this and any needs for remedial action.

Hyde Park Partners maintains affirmative action plans for minorities, women, individuals with disabilities and protected veterans. Any questions regarding these plans or the company's equal opportunity policy should be directed to the EEO Coordinator who is responsible for the implementation of the plan. All employees are responsible for supporting the concept of equal employment opportunity and affirmative action and assisting and cooperating in meeting our plan goals.

If you wish to view the plans for protected veterans and individuals with disabilities, contact Chris Houston during normal business hours and arrangements will be made for the areas of the plan available for inspection under the law.
